Division, OL

SUBJECT: Intelligence Charter Legislation

(OL 8 0766)

1. We have reviewed the referenced memorandum and our comments are as follows:

Questions 1 through 12: No Comment

Question 13 : We believe the CIA should be charged with support of ODNI. The phrase "and other administrative support" should be clarified. Perhaps "and all other administrative support" would be better wording. The intent should be to provide all other services necessary, i.e., security personnel, commo, logistics (including space, services, procurement, supply, printing, real estate and rental, contracting, construction, alteration, utilities, and architectural support), training, medical, data processing, and finance activities.

Questions 14 and 15 : No Comment

Question 16 : We agree with the proposed wording for a new subsection at the end of Section 413 except that "administrative and technical" should be defined (see Question 13 above).

Question 17 : No Comment

Question 18 : There is no Section 412(a)(6). Apparently the reference is to Section 421(a)(6); we agree with the additional wording "employees; contractors; and employees of contractors."

SUBJECT: Intelligence Charter Legislation

- Question 19 : We believe "administrative services should be added, i.e., . . . legal legislative and administrative services." Again, intent should be to provide all other services necessary and not specifically provided for in other references (refer to Question 13 for listing).
- Question 20 : No Comment
- Question 21 : We agree with the wording of proposed new subsection 421(a)(18) re the Agency having authority to dispose of property and use the proceeds therefrom to purchase new property.
- Questions 22 through 25: No Comment
- Question 26 : As it pertains to RECD, we believe Section 422 of the Bill contains the procurement authority currently provided under Sections 3 and 8 of the CIA Act of 1949, as amended.
- Questions 27 through 30: No Comment
- Question 31 : Agree with the proposed revision of Section 425(a).
- Questions 32 through 38: No Comment
- Question 39 : Agree with the proposed language change.
- Questions 40 through 45: No Comment
